

Leave a Legacy That Keeps Towing Moving Forward

Friends of Towing Legacy Society

Preserve our history. Stand behind our families. Shape the future of the industry.

WHY A LEGACY GIFT?

A legacy gift to the International Towing and Recovery Hall of Fame and Museum can preserve the story of the towing and recovery industry for generations - and, through the Survivor Fund, help families after a line-of-service death. There is no minimum gift size to join the Friends of Towing Legacy Society.

CHOOSE YOUR IMPACT

- **Museum Fund** - Preserve the collection, exhibits, Hall of Fame, and the history of towing and recovery.
- **Survivor Fund** - Provide emergency financial support to families after a line-of-service death.
- **Both** - Split your gift between the two in any proportion you choose.
- **Greatest Need** - Give the Board flexibility to meet the most important need when your gift is received.

Your intention matters more than the amount. Legacy Society membership begins when you document a qualifying planned gift - regardless of its eventual value.

WAYS TO LEAVE YOUR LEGACY

- 1 Will or Trust**
A specific amount, a percentage, the residue, or a contingent bequest.
- 2 Beneficiary Designation**
Name ITRHFM on a retirement account, life insurance policy, or POD/TOD account.
- 3 Securities or Real Estate**
Direct appreciated securities or property through your estate, subject to Museum review where required.
- 4 Charitable Trust or Gift Annuity**
Name the Museum as a beneficiary while working with your own advisors.
- 5 Collection Gift**
Vehicles, equipment, tools, memorabilia, or archival material may be considered for the Museum collection.

FOUR SIMPLE STEPS

1. Talk with your attorney or financial advisor.
2. Choose Museum Fund, Survivor Fund, both, or greatest need.
3. Update your will, trust, or beneficiary designation.
4. Send the optional, non-binding Letter of Intent so we can honor your wishes and welcome you to the Legacy Society.

A legacy gift is more than a contribution. It is a way to carry forward the values, history, and sense of family that define towing and recovery.
